Maintenance Technician

KONE – Gold Coast QLD

2.3 from 83 reviews at SEEK

Full time

12d ago, from KONE

Apply on company site

- **Great benefits - 2 RDO's per month, competitive base wage, overtime available**
- **Work with industry - leading products and technology**
- **Join a global organisation with a strong focus on training, safety and quality**

At KONE, we bring buildings to life.

Through our technical expertise and digital connectivity, we provide an essential service to communities around the world – keep people moving no matter what.

Our work will take you in different directions.

We're looking for a **Maintenance Technician** to join our high performing **Service Team** in **Gold Coast**. No two days are the same as you manage the equipment installation of KONE's elevator products, across low-rise housing through to the world's tallest skyscrapers.

What will you be doing?

- Attending breakdowns on Elevators and Escalators
- Attending to maintenance activities and repairs
- Carrying out all activities in accordance with KONE policies and procedures including health, quality and safety standards

- Attending to maintenance activities and repairs
- Carrying out all activities in accordance with KONE policies and procedures including health, quality and safety standards
- Working to actively maintain customer relationships in the local region

What are we looking for?

- Lift industry experience preferred but not essential
- Qualified electrical licence required
- Experiencing managing critical breakdowns and key stakeholder's expectations
- Motivated and self- starter who can manage workload and competing priorities
- Commitment to working safely with a strong focus on quality
- A customer service mindset
- Excellent communication skills and ability to work as part of a team

There's so much more to KONE than you may realise.

- Enjoy career progression opportunities within a global organisation
- Access a range of benefits that engage and motivate our employees and help us make KONE a great place to work
- Grow with comprehensive learning and development programs covering a wide range of professional skills

A job at KONE is the start of an experience like no other. You'll find a bunch of passionate "lifties", and maybe even become one yourself! Apply today and help us to bring buildings to life.

At KONE, we are focused on creating an innovative and collaborative working culture where we value the contribution of each individual. Employee engagement is a key focus area for us and we encourage participation and the sharing of information and ideas. Sustainability is an integral part of our culture and the daily practice. We follow ethical business practices and we seek to develop a culture of working together where co-workers trust and respect each other and good performance is recognized. In being a great place to work, we are proud to offer a range of experiences and opportunities that will help you to achieve your career and personal goals and enable you to live a healthy and balanced life.
