Join our client's team in Derwent Park and become a certified **Lifting Equipment Technician** with globally recognized **LEEA Certification**. If you're mechanically minded and ready to learn, this is your chance to build a rewarding future in a growing industry!

Our client is a trusted Tasmanian company known for their commitment to safety, quality, and customer service, who provides expert training and development opportunities for the team

About the Role:
As a Service Technician, you'll work on lifting equipment inspections, servicing, and repairs while receiving full training to achieve **LEEA Certification**. This is a hands-on role where problem-solving and mechanical skills are key.

What You'll Do

- Service, maintain, and inspect lifting equipment to the highest standards.
- Diagnose and resolve mechanical issues with precision and safety.
- Complete full training to achieve **LEEA Certification**.
- Work in a supportive team environment with opportunities for growth.

What We're Looking For

- Strong mechanical aptitude and problem-solving skills.
- Current driver's license (essential).
- White Card and any relevant industry tickets (preferred).

- Strong mechanical aptitude and problem-solving skills.
- Current driver's license (essential).
- White Card and any relevant industry tickets (preferred).
- Forklift license and first aid certification (advantageous).
- Reliable, safety-conscious, and eager to learn.

What's on Offer

- **Competitive pay:** $30–$40 per hour (based on experience).
- **12% superannuation** plus overtime opportunities.
- Full training provided – gain **LEEA Certification**.
- Monday to Friday schedule – enjoy your weekends!
- Career development in a growing industry.

Apply now with your current resume and cover letter and start your journey toward becoming a certified Lifting Equipment Technician!For further information email Wendy at **********@searsonbuck.com.au or call 0439 629***
