About the Role

An exciting opportunity is available for a skilled Lift Technician or qualified Electrician to join a well-established organisation within the lift and accessibility sector. This role involves the installation, servicing and repair of a diverse range of lift and access systems across residential and commercial environments.

The position offers stable, full-time hours (7:30am - 4:15pm), one RDO per calendar month, optional overtime, and long-term career progression for the right candidate.

Key Responsibilities

- Install, service and repair platform lifts, stair-lifts and accessibility equipment
- Diagnose and fault-find electrical and mechanical control systems
- Review and interpret technical plans, drawings and specifications
- Test, commission and check PLCs and motor control systems
- Align mechanical components and integrate with electrical switches
- Ensure all work complies with safety standards and quality expectations
- Provide professional, customer-focused service on site

Key Skills & Experience

- Electrical trade qualification (essential)

- Provide professional, customer-focused service on site

Key Skills & Experience

- Electrical trade qualification (essential)
- Current electrical licence (preferred)
- Experience in lift technology, PLCs and motor control systems (highly regarded)
- Strong fault-finding and diagnostic capability in control circuits
- Applicants from electrical or metal trades with strong mechanical aptitude are encouraged to apply
- Ability to work autonomously and as part of a collaborative team
- Excellent communication and interpersonal skills
- Commitment to safety, quality and customer satisfaction
- Full training provided for candidates transitioning into the lift sector

Benefits

- Competitive salary package based on experience
- Company vehicle included
- Overtime available with penalty rates
- Monthly RDO
- Secure, long-term role with career development opportunities
- Comprehensive training and ongoing support
- Supportive, team-oriented workplace culture

About the Company

Our client is a long-standing Australian organisation and a recognised leader in the lift and accessibility sector. They specialise in platform lifts, stair-lifts, residential and commercial elevators, and wheelchair access solutions.

Renowned for their high-quality products and exceptional after-sales service, the business has built a strong reputation for reliability, safety and long-term client relationships. Their continued growth is driven by a people-first culture that values teamwork, professionalism and continuous improvement.
