Our last ad did very well....but we still need more!!!

Australia's leader in the home elevator industry is looking for multiple exceptional Lift Service Technicians in the Sydney area!

We're well into the process of implementing new systems and world's best practice processes. It's challenging and exciting, but it's not going to be easy! You'll test your knowledge and your thinking daily whilst developing the new workflow and working with the old ones. You'll be rewarded as we hit milestones and achieve targets. We're looking for "can-do" attitudes. Are you up for the challenge?

Education, Experience and Qualifications Required

- A-grade Electrical license/fitter/mechanic
- Construction White Card.
- Driver's License.
- Familiarity with Hydraulic and Traction drives
- Mechanical experience and competence.
- Crane, hoist or conveyor technicians are encouraged to apply...your electrical and mechanical skills would be a good fit for the lift industry.

Lift industry training is preferred but not essential. You will require the ability to perform the following:
