Apply on company site

- **Great benefits - 2 RDO's per month, competitive base wage, overtime available**
- **Work with industry - leading products and technology**
- **Join a global organisation with a strong focus on training, safety and quality**

At KONE, we bring buildings to life.

Through our technical expertise and digital connectivity, we provide an essential service to communities around the world – keep people moving no matter what.

Our work will take you in different directions.

We're looking for a **Maintenance Technician** to join our high performing **Service Team** in **Perth, WA.** No two days are the same as you manage the equipment installation of KONE's elevator products, across low-rise housing through to the world's tallest skyscrapers.

What will you be doing?

- Attending elevator and escalator breakdowns
- Attending to maintenance activities and repairs
- Carrying out all activities in accordance with KONE policies and procedures including health, quality and safety standards

Air Conditioning Technician jobs

- Attending to maintenance activities and repairs
- Carrying out all activities in accordance with KONE policies and procedures including health, quality and safety standards
- Working to actively maintain customer relationships in the local region

What are we looking for?

- Lift industry experience preferred but not essential
- Current electrical licence required
- Experience managing critical breakdowns and key stakeholder's expectations
- Motivated and self- starter who can manage workload and competing priorities
- Commitment to working safely with a strong focus on quality
- A customer service mindset
- Excellent communication skills and ability to work as part of a team

There's so much more to KONE than you may realise.

- Enjoy career progression opportunities within a global organisation
- Access a range of benefits that engage and motivate our employees and help us make KONE a great place to work
- Grow with comprehensive learning and development programs covering a wide range of professional skills

A job at KONE is the start of an experience like no other. You'll find a bunch of passionate "lifties", and maybe even become one yourself! Apply today and help us to bring buildings to life.
