WHY join Schindler?

At Schindler, we are **all about our culture!** We focus on supporting our employees to meet their full potential by careful selection and constant development to make them a leader in their area. You will have the **opportunity to grow and develop** both **personally and professionally** whilst working with a great bunch of people. We offer job stability to our employees as we focus on promoting from within and foresee a growth trajectory of our business in the coming years.

About the role:

We are seeking an experienced Electrician to join our **Modernisation Installation team in Canberra.** Reporting to the Modernisation Manager, you will be responsible for installing lifts and escalators across our customer sites.

Benefits and Perks:

- Highly competitive package - EBA **(4 day week)**
- Permanent position
- A supportive team with **progression opportunities**
- A company that promotes from within
- Company employee benefits program

Accountabilities:

- Ensuring receipt of required goods
- Preparation and installation of lifts / escalators
- Coordinating quality testing of lifts / escalators
- Completing quality checks & reporting non-conformances
- Ensuring work sites are kept tidy and that all paperwork is up to date

Requirements for the role

To be successful in the role you will **ideally (not essential)** have previous experience in the lift industry in a similar role and a working knowledge of the lift codes and standards. You will also possess:

- An **Electrical trade certificate or equivalent and current electrical license.**
- A current driver's license
- General Construction Induction Card
- Outstanding communication skills and customer service etiquette
- Excellent organisation skills, with the ability to work under pressure
- An uncompromising commitment to quality workmanship and safety policies and procedures
- Previous working with heights & manual handling experience is highly regarded though not essential.
