Established in 1996 following the acquisition of City Elevator, TK Elevator Australia, building on the over 200 years of global engineering excellence of our German founding companies Thyssen and Krupp, install, maintain and modernize elevators and escalators in Australia. We have a strong presence in various segments, such as office, education and healthcare sectors, and are committed to making cities the best places to live by being safety and environmentally focused while fostering a strong safety culture.

We currently have a permanent position available within our Service Department in our NSW Branch. Reporting to the Service Area Manager you will be required to manage the day to day running of your specified area within NSW, ensuring all work is completed efficiently and safely. The main duties will be to attend and reduce breakdowns and maintain the service run. The

successful applicant will hold a current electrical licence, and be able to service, repair and attend to breakdowns on various lift systems. You must also have the ability to work independently.

The key responsibilities of the successful applicant will include but not be limited to:

Follow management instructions and comply with company procedures

Action customer complaints or enquiries

Participate in After-hours call-out roster

Take remedial action to rectify shutdowns

Repairs / technical site-specific work

Annual safety testing

Call rate/maintenance visits and missed maintenance

Procurement of parts where required

Maintenance statement testing

Ensure GSM is adhered to

The successful candidate will need to possess the following skills and qualifications:

Previous lift experience preferred although not essential

A current Electrical Licence

Excellent communication skills

Ability to work independently

Full Driving licence

What we offer you
