About the Role

We are seeking an **experienced Elevator Service Technician** with a passion for troubleshooting and problem-solving to join our dynamic team at **BOSS Elevators**. In this role, you will play a crucial part in maintaining and enhancing the safety, reliability, and performance of elevator systems across the Sunshine Coast to Discovery Coast region.

As an expert technician, you'll be responsible for conducting routine maintenance, inspections, and repairs, with a focus on quickly diagnosing and resolving issues with a wide range of elevator components. Your ability to think critically and implement effective solutions will be essential to ensuring optimal functionality and compliance with AS1735 standards.

You will liaise directly with clients to understand their concerns, provide clear communication, and deliver exceptional service. You will have the opportunity to work both independently and as

part of a skilled team committed to **"Leading the Change"** in elevator maintenance.

This role is suited for someone who is not only technically skilled but also values quality workmanship, safety, and client satisfaction. If you take pride in overcoming challenges and delivering high-quality results, this could be the perfect opportunity for you.

What you'll be doing

- **Routine Maintenance:** Perform scheduled and preventative maintenance on elevator systems meeting standards for monthly, annual and 5-yearly testing
- **Diagnose & Troubleshoot Issues:** Efficiently identify and resolve technical issues with components such as motors, controllers, and safety devices. Your expertise will be pivotal in delivering swift, accurate solutions
- **Carry Out Repair Work:** Conduct precise repairs, replacing worn or faulty parts as needed to restore full elevator functionality and reliability.
- **Maintain Detailed Records:** Keep thorough, accurate records of all maintenance, service, and repair activities, ensuring clear documentation for compliance and future reference.
- **Ensure Safety & Compliance:** Maintain strict adherence to all safety standards and regulations, upholding safety as a non-negotiable priority in every task.
- **Provide On-Call Support:** Be prepared to respond to emergency situations as part of our rotational standby roster, ensuring timely support and effective resolution of urgent issues.
- **Liaise with Clients:** Engage professionally with clients to understand their requirements, providing timely, effective solutions that reinforce our commitment to superior service.
- **Continuous Skill Development:** Participate in training events and workshops.

What we're looking for

- **Positive, proactive attitude** and a commitment to safety and quality service.
- **Minimum 5 years of experience** in the elevator service industry, with **superior fault-finding abilities**.
- Queensland Electrical Licence (no restrictions).
- White card.
- Working at Heights certification (favourable but not essential).
- Rigging and Dogging certification (favourable but not essential).
- Certificate IV in WHS (favourable but not essential).
- Must have the right to work in Australia**.** Please note: No sponsorship opportunities are available.

What we offer

- **Competitive Remuneration:** Get paid your worth based on experience and qualifications.

- **Coastal Lifestyle:** Skip the long commutes and work close to home in one of Australia's most sought-after coastal regions.
- **Motivating Team Culture:** We believe in creating a positive work environment where your skills are valued, and your career can thrive.
- **Vehicle and Tools:** The whole kit and caboodle

Application Process

Please submit your **resume**, outlining your experience, qualifications, and referees, by **15 March 2026**

Applications must also include a **cover letter** explaining why you are an ideal candidate for this role.

Shortlisted applicants will be contacted by **15 March 2026**.

Interviews will be completed by **20 March 2026**, with an employment offer extended to the successful candidate shortly thereafter.
