Posted 1d ago

Specialised Lifting Service (SLS Cranes) is a proudly Western Australian-owned company specialising in the supply, inspection, testing, and servicing of lifting and rigging equipment. With over 40 years of industry leadership, we are recognised as a trusted name in overhead crane manufacturing, repairs, and lifting solutions.

We are seeking an experienced and motivated **Lifting Equipment Testing & Production Supervisor** to join our Lifting & Rigging Equipment Department.

This is a hands-on leadership role combining inspection, load testing, workshop coordination, and customer support.

Key Responsibilities

- Assist with inspection, testing, and load testing of lifting and rigging equipment, including height safety systems
- Supervise and coordinate workshop production activities
- Ensure compliance with relevant Australian Standards
- Manage inspection documentation and certification records
- Liaise with customers regarding servicing and equipment requirements
- Receive, check, store, and dispatch goods
- Operate plant, machinery, and vehicles safely

Skills & Experience

- Lifting and rigging industry experience
- Strong understanding of load testing and inspection procedures
- Current C-Class Driver's Licence (essential)
- Forklift Licence (desirable)
- Strong communication and organisational skills
- Computer literacy for reporting and record management
- Ability to lead workflow while remaining hands-on

This is a fantastic opportunity to join a family-owned business that values its team and offers ongoing training and development. If you are passionate about lifting equipment and enjoy a role that combines technical and administrative responsibilities, we want to hear from you!

To apply, please submit your resume via SEEK or email it to **sls@slscranes.com.au**
