Acorn Stairlifts is the Australian division of the world's leading manufacturer and distributor of stairlifts to help people with stairs in their homes. The home-care industry in Australia is currently going through a continued period of growth, making it a very attractive career choice. Acorn, as a leader in this field, continues to drive forward its growth throughout Australia. To jump on this growth and our further plans for the future, we are looking for additional capable and enthusiastic **Installations and service Technicians** to support our expanding Operations team.

This fantastic opportunity will involve **installing, servicing and repairing** our stairlift installations in the Newcastle and central coast area. There is also be the need for regular regional travel and interstate travel for training.

- This is a Full time role with lots of overtime possibilities and you are paid door to door! Technicians work an average 43 hour weeks.

- You work from your home at various work sites across the Newcastle/central coast area.

About You
The ideal candidate will:

- Must have current Full Australian working rights
- Clean Australian Drivers licence and Police check
- Mechanically minded
- Good physical fitness and able to lift heavy items on a regular basis.
- Good attention to detail.
- Reliable and punctual.
- Knowledge and experience in using powered tools desirable.
- Able to work autonomously
- A background in stairlifts is not essential as full training will be given.

The job requires work in the homes of our customers, many of whom are aged and therefore the successful candidates will need to be well presented, tidy, honest and be able to demonstrate pride in a job well done.

Why join us?

- Competitive salary package including fully expensed company vehicle (van) and mobile phone
- On the road, change of scenery everyday!
- 2 - 4 weeks of PAID training
- Get paid from when you leave home to return home, Door to Door!
- Be part of a fun and enthusiastic team!
- Put your technical abilities to good use helping other people live safely at home.
- World market-leading company
- Interesting and varied role
- Potential for interstate travel
- Your skills and customer service will be acknowledged and rewarded
