We are looking for a **Repairs Product Sales Representative** to be based either in our Brisbane, Queensland or Melbourne, Victoria office.

- 12 months fixed term contract role
- Reports to the Repairs Sales Manager.
- Location - Brisbane or Melbourne

About You

As a **Repairs Product Sales Representative**. you will work as part of a team that supplements the wider "T" Product Sales activity of the OTIS Australasia.

You primarily focus on standard "T" products for a defined period, and where opportunity exists.

What are "T" products in OTIS?

Lift accessories that are not covered in our typical Maintenance contracts which include lift communications, dialers, door detectors, in-car lighting, safety items, pit stop switchers, top of car handrails and etc.

Key Responsibilities

- **Deliver revenue performance:** Consistently achieve (and exceed) assigned T Sales revenue and margin targets in line with the approved business plan, with clear accountability for results.
- **Maximise speed-to-lead and conversion:** Action all T leads from every source immediately on receipt, applying disciplined follow-up to maximise contact and conversion rates.

- **Maximise speed-to-lead and conversion:** Action all T leads from every source immediately on receipt, applying disciplined follow-up to maximise contact and conversion rates.
- **Qualify needs and build demand:** Partner with the lead source to confirm scope/requirements, then engage the customer to validate needs, create urgency, and progress opportunities through the buying cycle.
- **Drive campaign-led pipeline:** Actively participate in all T product campaigns, generating pipeline contribution and supporting the Key Account team by providing responsive, accurate quoting and commercial support.
- **Own proposal development end-to-end:** Produce accurate estimates and secure required internal approvals to create a compliant Service Works Proposal, then submit to the customer within agreed turnaround times.
- **Execute a structured close plan:** Proactively follow up every submission using a structured, cyclical call-closing cadence to progress objections, confirm decision steps, and secure approval/booking.
- **Build and maintain a robust pipeline:** Maintain a healthy opportunity funnel that supports target attainment, including ongoing prospecting, opportunity progression, and clear next steps at every stage.
- **Forecast with accuracy:** Keep CRM/sales systems current, report activity consistently, and provide accurate forecasting against plan (pipeline, probability, timing, value).

What you will need to be successful

- Have a degree/diploma/certificate in Marketing, Business, or a related field.
- Minimum 2–3 years' experience in Tele Sales, Frontline Sales, or Account Management, with a results-driven mindset.
- Exposure to technical or solution-based sales would be an added advantage
- Proven ability to work independently and collaborate cross-functionally, building trusted relationships to drive outcomes.
- Strong communications – verbal and written.
- Attention to detail and accurate record-keeping are important for success
- Sound knowledge of Microsoft 365 and the ability to learn and frequently switch between inhouse systems/databases is required
- A desire to learn and understand the elevator industry and the technology involved
