Key Responsibilities

Reporting directly to the Managing Director, you will be responsible for driving performance, profitability, and team engagement across the division. Additional responsibilities include:

- Lead and manage day-to-day operations across lift installation and service teams.
- Oversee budgeting, forecasting, and financial performance to meet agreed KPIs and profit targets.
- Drive operational efficiencies and implement cost control strategies.
- Manage workforce planning, scheduling, and resource allocation.
- Supervise and support technicians, project managers, service coordinators, administration staff, and sales personnel.
- Maintain high standards of safety, compliance, and customer satisfaction.
- Manage technical lift inventory and spare parts for NSW operations.
- Strengthen relationships with builders, developers, and residential clients.
- Foster a culture of accountability, teamwork, and continuous improvement.

About You

You are a confident and capable operational leader with a strong understanding of construction or lift installation environments. You combine technical knowledge with commercial awareness and people leadership skills.

Skills & Experience

- Previous experience in lift installation, construction, or related technical industry (highly desirable)
- Proven leadership experience managing operational teams.
- Strong financial acumen with demonstrated experience managing budgets and improving profitability.
