About the role

Due to an expanding portfolio of projects, our client is currently seeking a dedicated and qualified Electrician / Lift Technician to join their team. You will be responsible for installing and assembling lift systems, including both electrical and mechanical components. This position offers electricians the chance to broaden their skills in a dynamic environment while working with the latest lift technology.

Tasks and Responsibilities

- Install, align and commission lift and elevator equipment
- Manage materials and tools on site.
- Work closely with team leaders, supervisors, and builders.
- Maintain a clean, safe and efficient work environment.
- Complete projects on time and to a high standard

- Maintain a clean, safe and efficient work environment.
- Complete projects on time and to a high standard.

Skills and Experience

- A registered electrical licence
- Practical, field-based industry experience will be highly regarded
- A strong commitment to safety policies and procedures
- The ability to work effectively both independently and as part of a team
- Excellent communication skills
- A valid Australian driver's license

Benefits and Perks

- Excellent incentives and bonuses available on a per job basis to reward you for your efforts;
- Ongoing Learning and Development
- Competitive salary and benefits package
- Mentorship from experienced teams
- Fulltime, permanent ongoing role
- Family owned business where you are treated like part of the family
- Career progression as the business expands
- Clean, comfortable work environment
