About the role

Simplex Elevators Pty Ltd is seeking an experienced Service Manager to oversee the maintenance and repair of our elevator systems across Queensland. As a full-time position based in Salisbury, QLD, this role is crucial in ensuring the safe and reliable operation of our equipment for our valued clients.

Australian citizenship is required for this position.

What you'll be doing

1. Manage and coordinate a team of skilled elevator technicians to deliver exceptional service and maintenance
2. Liaise with clients to understand their needs and assist the scheduling team / maintenance and repair activities accordingly
3. Provide technical guidance and support to the service team, including troubleshooting complex issues
4. Ensure all service work is completed to the highest safety and quality standards
5. Maintain detailed records and provide regular reports on service activities
6. Support the sales team by providing technical expertise and recommendations for new installations

What we're looking for

1. Significant experience (5+ years) in an elevator maintenance or service management role
2. Strong technical knowledge of elevator systems
3. Experience with all elevator types including hydraulic, traction, and machine room-less systems is essential
4. Excellent communication and customer service skills to liaise effectively with clients
5. Proven ability to lead and motivate a team of technicians
6. Highly organised with a focus on safety, quality and efficiency
7. Relevant trade qualifications

7. Relevant trade qualifications

About us

Simplex Elevators is a leading provider of elevator services in Queensland. With over 30 years of experience, we are committed to delivering safe, reliable and innovative elevator solutions to our clients. Our team of dedicated professionals work hard to maintain the highest standards of service and customer satisfaction.

Apply now to join our team as Service Manager and play a vital role in the success of our growing business.
