WHY join Schindler?

At Schindler, we are **all about our culture**! We focus on **supporting our employees** to meet their full potential through careful selection and **constant development** to make them a leader in their area. You will have the opportunity to **grow and develop both personally and professionally** whilst working with a great bunch of people. We offer job stability to our employees as we focus on **promoting from within** and foresee a growth trajectory of our business in the coming years.

About the role:

and professionally whilst working with a great bunch of people. We offer job stability to our employees as we focus on **promoting from within** and foresee a growth trajectory of our business in the coming years.

About the role:

We have an opportunity has arisen for an experienced **Service Manager** to join our team based in **Perth.** Reporting directly to the area Operations Manager, you will have approximately **10 direct reports** and **P&L responsibilities**. The role is office based as well as spending time in the field with technician direct reports and attending customer meetings. You will also be expected to carry out the **monthly toolbox meetings** and be responsible for driving consistent and reliable financial performance.

As the successful candidate, you play a crucial role in our business as you are often the **first point of contact for our customers,** to **deliver** responsive and **high-quality services and solutions**. You will also be responsible for providing **coaching, mentoring and leadership to your team** of service technicians driving open communication and a focus on a safety culture.

This package includes:

- **Highly Competitive base + 12% Super**
- **$28,000 Bonus incentive**
- **$18,000 car allowance**
- Access to discounted partner company offers.
- Funding for further educational support upon completion of 1 year of employment
- Birthday day off

Key Accountabilities

- **Improve** operational budgets, including portfolio growth, material and labour cost control.
- Constantly analyse results & take effective remedial action quickly.
- Visit the site and record contact & other site details
- Determine manpower capacity needed to service the contracted portfolio.
- Reconcile fulfilment of maintenance visits and act as required

- Constantly analyse results & take effective remedial action quickly.
- Visit the site and record contact & other site details
- Determine manpower capacity needed to service the contracted portfolio.
- Reconcile fulfilment of maintenance visits and act as required
- Make regular audits to ensure the quality of maintenance.
- Allocate resources to attend to shutdowns
- Monitor callback history and allocate resources to attend to sick lifts
- Set and attend team meetings.
- Identify & plan for Service training needs.
- Document and solve customer complaints.

Requirements for the role:

- Ideally past experience as a **Maintenance/ Repairs/ Service Manager** working in the **Lift** industry **or** within **Fire**, **HVAC**, **Security** or a **similar** industry.
- Previous experience managing Field Technicians
- Qualification in building, engineering, electrical or mechanical disciplines will be looked upon favourably
- Proven experience in driving business growth and minimizing labour costs
- Strong organization and delegation skills, with proven ability to coordinate staff productivity.
- Exceptional communication skills
- Strong awareness of safety ideally with a qualification
- Past experience forecasting, budgeting and contract administration
