All Lift Forklifts and Access Equipment

About Us

We are a family owned and run forklift and access equipment rental and sales company based in Brisbane, QLD and other eastern states. Due to rapid growth a full time position has become available to join our service department.

The Role

We are seeking a Forklift/Access Technician to be based at our workshop in Salisbury, diagnosis, servicing, pre hires and off hires on all our equipment. As part of a dedicated team of technicians, you will be responsible for delivering a high level of service to our customers specialising in our range of forklifts, telehandlers and access equipment covering breakdowns, fault finding and servicing.

To be considered for this role you must have the following:

team of technicians, you will be responsible for delivering a high level of service to our customers specialising in our range of forklifts, telehandlers and access equipment covering breakdowns, fault finding and servicing.

To be considered for this role you must have the following:

1. Mechanical Trade Certificate (Forklift Mechanic / Diesel Mechanic / Heavy Vehicle Mechanic or light vehicle).
2. Current drivers licence
3. Forklift licence (desirable)
4. Solid understanding of diesel and hydraulics.
5. Sense of urgency and can work within time frames

About You

With your trade qualification or mechanical experience under your belt you enjoy being in a hands on customer facing role. Team player and motivated to help grow the business.

The rewards

Competitive above award wages are on offer in line with experience. In addition to this you will be part of a supportive friendly team!

Apply on company site

Be careful - Don't provide your bank or credit card details when applying for jobs. Don't transfer any money or complete suspicious online surveys. If you see something suspicious, report this job ad.
