- Start & Finish from home, plan your own day
- Choose between 7.30am - 4.15pm and 11am - 7pm

The Role

As a Elevator Service Technician you will be responsible for managing the preventative maintenance schedule and breakdown response for approximately 80 clients per month across a specific area of Sydney. Main duties will include:

- Managing your diary to ensure all clients are completed with the time frame required. Jobs usually take around 1 hour.
- Mainly preventative maintenance however there will be some breakdown work.
- Ensure company vehicle is kept stocked
- Ordering of parts and equipment as required

The Requirements

- Previous lift servicing or installation experience (any amount considered)
- NSW Electrical Licence
- NSW Drivers Licence
- Strong electro/mechanical repair skills including strong problem solving abilities
- Excellent customer service skills
- Strong safety mindset

If you have all the skills outlined above and looking to work for a smaller company that looks after their staff please click 'Apply Now' and forward an up to date resume. Alternatively email David Booth, *****@maydaytechnical.com for a confidential conversation.

Apply on company site

Be careful - Don't provide your bank or credit card details when applying for jobs. Don't transfer any money or complete suspicious online surveys. If you see something suspicious, report this job ad
