We are looking for a **Repairs Product Sales Representative** to be based either in our Brisbane, Queensland or Melbourne, Victoria office.

- 12 months fixed term contract role
- Reports to the Repairs Sales Manager.
- Location - Brisbane or Melbourne

**About You**

As a **Repairs Product Sales Representative**. you will work as part of a team that supplements the wider "T" Product Sales activity of the OTIS Australasia.

You primarily focus on standard "T" products for a defined period, and where opportunity exists.

**What are "T" products in OTIS?**

Lift accessories that are not covered in our typical Maintenance contracts which include lift communications, dialers, door detectors, in-car lighting, safety items, pit stop switchers, top of car handrails and etc.

**Key Responsibilities**

- **Deliver revenue performance:** Consistently achieve (and exceed) assigned T Sales revenue and margin targets in line with the approved business plan, with clear accountability for results.
- **Maximise speed-to-lead and conversion:** Action all T leads from every source immediately on receipt, applying disciplined follow-up to maximise contact and conversion rates.

targets in line with the approved business plan, with clear accountability for results.

- **Maximise speed-to-lead and conversion:** Action all T leads from every source immediately on receipt, applying disciplined follow-up to maximise contact and conversion rates.
- **Qualify needs and build demand:** Partner with the lead source to confirm scope/requirements, then engage the customer to validate needs, create urgency, and progress opportunities through the buying cycle.
- **Drive campaign-led pipeline:** Actively participate in all T product campaigns, generating pipeline contribution and supporting the Key Account team by providing responsive, accurate quoting and commercial support.
- **Own proposal development end-to-end:** Produce accurate estimates and secure required internal approvals to create a compliant Service Works Proposal, then submit to the customer within agreed turnaround times.
- **Execute a structured close plan:** Proactively follow up every submission using a structured, cyclical call-closing cadence to progress objections, confirm decision steps, and secure approval/booking.
- **Build and maintain a robust pipeline:** Maintain a healthy opportunity funnel that supports target attainment, including ongoing prospecting, opportunity progression, and clear next steps at every stage.
- **Forecast with accuracy:** Keep CRM/sales systems current, report activity consistently, and provide accurate forecasting against plan (pipeline, probability, timing, value).

**What you will need to be successful**

- Have a degree/diploma/certificate in Marketing, Business, or a related field.
- Minimum 2–3 years' experience in Tele Sales, Frontline Sales, or Account Management, with a results-driven mindset.
- Exposure to technical or solution-based sales would be an added advantage
- Proven ability to work independently and collaborate cross-functionally, building trusted relationships to drive outcomes.
- Strong communications – verbal and written.
- Attention to detail and accurate record-keeping are important for success
- Sound knowledge of Microsoft 365 and the ability to learn and frequently switch between inhouse systems/databases is required
- A desire to learn and understand the elevator industry and the technology involved
